MERRY CHRISTMAS FROM THE GARDEN!

MORE IN 2024!

LET'S GIVE THANKS! Psalms 100

November is truly a blessing and month of thanksgiving and praise unto the Lord!

There's so much for us to be thankful for at this time. Although things may not always be perfect, my prayer is that this month we will pause to offer gratitude and appreciation to our creator and sustainer for all the Lord has done.

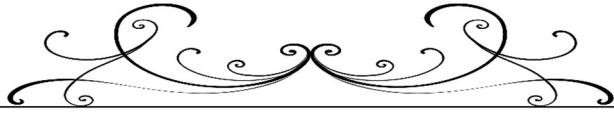

Of course, that does not mean we ignore the burdens we face, as if they do not exist. As humans, we all go through hard times, seasons of struggle and challenge. At the same time, we are encouraged by the graciousness of our Heavenly Father who provides and sustains us through those difficulties.

So, this month, let's *count our blessings* and name them one by one to the glory of the Lord!

Let's give thanks!

Amen.
