## arise in 2025!

He Is Risen! Coming Alive in Christ!

This month, Christians all around the world will be celebrating the resurrection of Jesus Christ! The resurrection of Jesus Christ means that we have victory and eternal salvation with the Lord. It is a witness to how God has given us the victory over all areas of our lives.

We can walk with confidence and assurance that Lord will make a way in our daily lives—giving us power to have joy, peace, hope and love, regardless of what things appear to be.

Oh how often we find ourselves stressing out about the burdens of life—paying bills, raising children, dealing with health issues and the like. Sometimes it’s hard to see a way through the difficulties of life. But the resurrection is about triumph. It is God’s final victory over sin and evil in the world. It let’s us know that at the end of the day, you have already won the battle, and Jesus has risen with all power and authority over creation. You’re gonna make it!! So let’s give God the praise and glory for what the Lord has done, and that you will make it!!

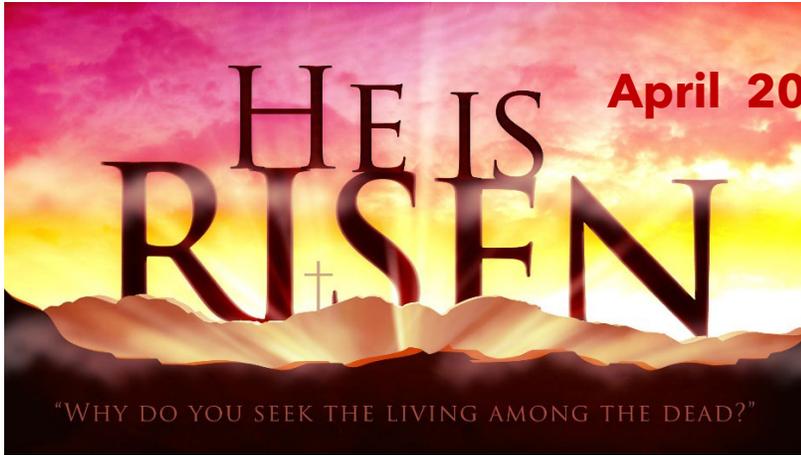

Praise the Lord! 🙏

Amen.
